DIGGING FOR GOLD

THE PLEASANT OCCUPATION OF A FORMER MARYVILLE MAN.

$60,000 BURIED 65 YEARS

T. J. Estes Has Found Lock and Seal of Mail Pouch and is Hot on the Trail.

T. J. Estes, formerly a resident of Maryville and well known here, seems to have struck it lucky near St. Joseph, according to the following article from the Kansas City Star:

After digging patiently two years in search of a supposed gold treasure of $60,000 T. J. Estes of Maryville believes he will soon be rewarded.

Estes is digging in the Missouri river bluffs, about three-quarters of a mile south of the waterworks, near St. Joseph. The treasure for which he is searching is said to have been buried sixty-five years ago in a mail pouch. Estes announced today that he has found the lock and seal of the pouch and hopes to be able to get the money in a few days.

A romantic story is told by Estes, who is nearly 80 years old. He has been digging steadily eight and ten hours a day for the last two years. He says that in 1846 two men robbed a river steamboat and secured a mail pouch containing $60,000 in gold, which was intended by the government to pay off the Indians. The men were located in a cabin near where he has been digging. One was shot to death and the other captured. The latter was imprisoned and on his death bed told where the treasure was hidden. This knowledge Estes says he obtained.

The money, he declared, was buried near a large linn tree, about three hundred feet from the old cabin. The ruins of the cabin still remain and the tree stump is standing, but the tree was cut down some years ago.

The site is near a great boulder on the steep side of a bluff. The land has slid, according to the story of Estes, and this has resulted in the difficulty in locating the money. He believes that now that he has found the old lock and seal he is near his goal, and he expects to end his days with plenty of money.

An article in the St. Joseph papers is as follows:

Mike Rossi, superintendent of the emergency hospital, says that Estes has been working faithfully for nearly a year and he seems no nearer the box of hidden gold than he was when he started.

Rossi said: "Men have worked out there by day and by night. At night they attempt to locate the box by getting observations of the North Polar star. With lanterns, pick and spade they have dug many holes but the treasure has not yet been brought to view. Estes seems determined to keep up the search. Most people who have observed the work and actions of these treasure hunters believe they are wasting time and energy."

News of Society and Womens' Clubs

Twentieth Century Club.

It is the opinion of the members in attendance at the general meeting of the Twentieth Century club Tuesday afternoon, that it was the best meeting the club has yet held, because of the spontaneous response from all that was the direct result of two excellent papers read by Mrs. E. G. Drear and Miss Jessie Parcher on what a humane society is and what it should be to Maryville, which will be published in Friday's issue of The Democrat-Forum. The discussion that followed these readings was led by Miss Parcher, who gave out the following list of questions that were answered by Miss Bertha Leal, Mrs. Scribner Beech, Sr., Mrs. C. C. Corwin, Mrs. W. H. Crawford, Mrs. M. M. Deming, Mrs. L. L. Dean, Mrs. J. A. Ford, Miss Della Grems, Mrs. G. B. Holmes, Mrs. Charles Jackson, Mrs. Joseph Jackson, Jr., Miss Helen Leffler, Miss Mae Orear, Mrs. H. L. Raines, Miss Clara Sturm, Miss Emma Lee Taylor, Mrs. D. J. Thomas, Mrs. G. L. Wilfley, Mrs. W. M. Wallis, Jr., Mrs. T. L. Wadley and Mrs. G. B. Roseberry:

1. Why do you think it necessary for us to have a humane society?
2. What inducements would you offer to join a humane society?
3. What would you do to interest the people in the humane society?
4. Would you be a member of the organization if asked, and help to secure others?
5. If you were a member and saw a case of cruelty, would you be willing to help prosecute it?
6. Are there, to your knowledge, any cases among children in Maryville which could be helped by a humane society?
7. Do you approve of children joining the Band of Mercy?
8. Would you ask the teachers of the schools to interest the children in such work?
9. Do you think the churches should take up the cause?
10. How can the Twentieth Century club further the movement?
11. Do you believe in adopting a humane society pin to be given when the dollar is paid for joining the society?
12. Can you tell where the next meeting the American Humane society will be held?
13. Would you be willing to help organize a Band of Mercy for the children?
14. Can you give three abuses which the humane society endeavors to correct?
15. Do you think men who kill for sport ever think?
16. Are there enough sanitary watering places on the streets for horses and dogs?
17. Do you and your neighbors place vessels of water in your yards where birds may drink?
18. Don't you think it would be more humane for horses to be unchecked when standing? Why is it that people do not do this?
19. Which would you rather see, the shapely contour of a docked horse, or one with a tail with which to protect himself from flies and other insects?
20. Where is the real usefulness of the blind bridle, overhead check, and cruel double bit?
21. You like salt in your bread and butter and fresh water to drink. Does your horse or cow get both when it craves them?
22. Do you think it fair to cut a horse with a whip at the top of a steep hill? Would you like to be prodded on the last step of a long flight of stairs?

There will be a called meeting of the club for Wednesday, April 19, for the election of officers for the coming year. The president, Mrs. W. A. Rickenbrode, appointed a nominating committee, comprising Mrs. Charles D. Bellows, Mrs. G. L. Wilfley, Mrs. D. J. Thomas, Mrs. W. C. Pierce.

Dined in Country.

Mr. and Mrs. G. R. Epperson and their daughter, Mrs. S. H. Kemp, dined Thursday with their daughter and sister, Mrs. Henry Wells, and her husband, at their home, "Cedar Lawn," ten miles south of Maryville.

M. E. Church, South, Society.

A letter from Miss Dora Otis, daughter of Mr. and Mrs. J. N. Otis of Hopkins, who left last August as a missionary to China, was the principal feature of the program of the Woman's Foreign Missionary society of the M. E. Church, South, which met Wednesday afternoon with Mrs. E. B. Sheldon, at 406 West Second street. Miss Otis is a teacher in McIntyre college in Shanghai, China. Her letter told of the great work that is being carried on in the foreign field, and how eager the Chinese are to learn of the word of God. Miss Otis is one of Nodaway county's most gifted girls. She is a graduate of the Maryville high school, Missouri State university at Columbia, and the Scarritt Bible Training school at Kansas City. Her friends in this county will be glad to know that her work in China is being crowned with success. Her letter was a spiritual uplift to the society.

The society will either support a Bible woman or take a scholarship for a girl in some school in the foreign field, which is to be decided later.

Miss Emma Lee Taylor was chosen a delegate to the annual conference which is to be held in Columbia in April. The next meeting of the society will be held with Mrs. Taylor,

APRIL 19 IS THE DAY

Commercial Club Accepted Invitation Thursday—The Program for the Occasion.

The Maryville Commercial club will be guests of the St. Joseph Ad club on Wednesday, April 19, at the regular weekly Ad club dinner. The club received the invitation some time ago, and on finding that April 19 was the only day left open for the next two months, the club accepted the invitation for that day.

It is expected that thirty or forty business men will go to St. Joseph that day. A good time is assured by the Ad club, and the business men here should by all means take advantage of the invitation.

A program for the dinner has been arranged by the committee composed of E. G. Orear and G. B. Roseberry, and will probably be as follows:

"Our Broad Acres and What to Do With Them."—John E. Cameron of the State Normal Agricultural department.

"One for All—All for One."—W. G. Hine of Savannah, a member of the board of regents.

"The Message of St. Joseph to the Country."—A St. Joseph speaker, not yet selected.

"The Greatest Factor in Our Common Welfare."—W. A. Blagg, president of the board of regents.

President Taylor of the State Normal school will also deliver a talk.

SOLD 3 AUTOMOBILES IN A FEW DAYS

During last week Barmann & Wolfert, dealers in automobiles, have sold three automobiles to L. E. Galbreath of near Barnard, J. S. Shields of near Barnard and H. C. Shields of near Graham. The cars were Jackson automobiles.

Earl Barmann, in charge of the automobile department for that firm, expects a large number of people to buy machines the coming year. A car load of Ford machines are now on the way to Barmann & Wolfert, and nearly every one of them has been spoken for.

MRS. MORTON DIED IN MASSACHUSETTS

Mrs. Clemma Morton, widow of the late Isaac Morton of Graham, where they were residents for many years, died at her home in Hubbardston, Mass., the 8th of March. She was past 80 years of age and had lived in Hubbardston, her old home, nearly all the time since the death of her husband at Graham, where he served as postmaster a long time. The news of Mrs. Morton's death was received Wednesday by Mrs. Gay Leeper.

Mrs. J. F. Robb of Hopkins was a Maryville visitor Thursday.

DIED VERY SUDDENLY

MRS. MULOCH OF PARNELL PROBABLE VICTIM.

INQUEST HELD TODAY

By Coroner J. H. Todd—Had Teeth Extracted in St. Joseph Dental Parlors Tuesday.

Mrs. George Muloch, living two and one-half miles east of Parnell, died at the family home Wednesday evening.

Mrs. Muloch returned to Parnell Tuesday noon from St. Joseph, where she had twenty teeth extracted by a dentist of that city. She was feeling very badly when she arrived at the station and was taken at once to her home, and she grew gradually worse until her death.

Dr. J. H. Todd, the coroner, was called to Parnell about 11 o'clock Thursday morning to hold an inquest.

Mrs. Mulloch's death occurred so soon after the extraction of her teeth that it is though to be due to the gas or chloroform administered at the time her teeth were drawn.

At St. Francis Hospital.

Mrs. Pearl Glen of near Burlington Junction was brought to St. Francis hospital Wednesday and operated on the same day by Dr. G. A. Nash. She is doing nicely.

Mrs. George B. Baker and Mrs. E. F. Wolfert went to Kansas City Thursday morning for a few days' stay.

Mrs. Charles Nicholas of Burlington Junction was a business visitor in Maryville Thursday.

Kansas City Lawyer Here.

T. G. Trimble, attorney for the Omaha, Quincy & Kansas City railway, was in Maryville Thursday on legal business.

Visited Their Father.

Judge J. H. Sayler of this city and his brother, W. G. Sayler of Burlington Junction, returned Tuesday evening from a two days' visit at Hopkins with their father, J. M. Sayler, who has been sick of the grip. The elder Mr. Sayler, though 87 years old, had been in very good health until his sickness seized him a few days ago. The visit he received from his sons dispelled the "blues" that seem to follow the grip.

Left for Kansas.

Miss Bess Nicholas, living north of Maryville, left Tuesday evening for Circleville, Kan., where she will be engaged as a trimmer in a millinery store the coming season.

Mr. and Mrs. J. E. Stewart returned to their home in Barnard Wednesday morning. Mrs. Stewart had been in Maryville since Saturday visiting her mother, Mrs. W. M. Dempsey, on East Third street. Mr. Stewart came Tuesday to accompany her home, and brought little Virginia Tulloch with him for company. The little girl is the daughter of Mr. and Mrs. I. E. Tulloch.

The will of J. H. Clardy, who died at his home in Elmo, March 11, was filed in probate court Thursday. The will was written on the same day as Mr. Clardy's death. The personal and real property is ordered to be sold and the proceeds divided equally between four sons, J. M. Clardy, J. W. Clardy, George T. Clardy and Robert L. Clardy, and that the executors invest one-fifth interest in land for a daughter, Annis Adkins, for her use during her life time, and at her death to pass to her children. The executors of the will are George T. Clardy and J. W. Clardy. The will was witnessed by C. R. Lamar and Thomas Copeland.

Visiting in Texas.

Mr. and Mrs. M. M. Callahan of Arkoe are spending this week in Fort Worth, Texas, with their daughter, Mrs. Burt O'Connell, and her husband. This is their first visit to their daughter since her marriage last June.

Mrs. John Graham of Clyde, who has been visiting her sister-in-law, Mrs. T. J. Parle, returned home Thursday.

Mrs. Thomas Lapsley of Burlington Junction and her daughter, Mrs. James Smith of Skidmore, were in Maryville on business Wednesday.

NORMAL PLAY TO BE PUT ON MARCH 31

Friday the 31st day of March, has been set as the time for the production by the Normal dramatic club of Shakespeare's "Twelfth Night" at the Empire theater. Mr. Zimmer and Miss Randall have been working very hard to get the play into shape, and as it is by far the most difficult one yet attempted, their task has not been an easy one. The costumes have already been selected and ordered. They will be correct in every detail, and as pleasing as those worn in "Cellini of Florence," which was acknowledged the best costumed play ever seen in Maryville. The performance will be staged as it was in Shakespeare's time. In this way it will be possible to present to the audience important phases of the drama which are lost with the use of modern versions and stagings. All of Shakespeare's dramas were written with a large number of acts and many scenes. As there was no scenery used in those days the frequent changes caused no inconvenience. With modern stage settings, however, it is impossible to make so many changes, consequently the scenes have to be rearranged and many of them cut out entirely, thus losing to some extent the meaning and interpretation of the original manuscript. That the presentation of the play in the way in which it will be given by the Normal dramatic club will not only be unique but very interesting is evidenced by the great success of the Ben Greet company in giving these old dramas in their original style.

WORK TO COMMENCE SOON ON BUILDING

Congressman Charles F. Booher was in Maryville Thursday on business. Congressman Booher returned to his home in Savannah last week from Washington. He will leave about the first of the month for Washington to attend the extra session.

Congressman Booher, who probably deserved more credit for the new postoffice building than any one else, said to a reporter of this paper:

"Yes, work will soon start on the building. The appropriation of $35,000 will be available on July 1, and the superintending architect told me a few days ago that that amount would be used between July 1911, and July, 1912.

"The outside plans of the building will be similar to the postoffice building at Sterling, Ill., which cost $70,000. The building here will cost more than that, and at the next session of congress an additional appropriation will be made. There's one thing sure, the building will be a credit to Maryville."

Mrs. Roach Doing Nicely.

Mrs. T. H. Roach, living north of Maryville, was operated on at St. Francis hospital Thursday morning by Dr. W. M. Wallis, Sr., and Dr. W. M. Wallis, Jr., and rallied nicely from it. The operation was very serious.

MRS. JOHN MOORE DIES THIS AFTERNOON

Mrs. John L. Moore died Thursday afternoon at 1:20 o'clock, after an illness of nine days from pneumonia. No arrangements have as yet been made for the funeral.

Mrs. Moore's maiden name was Nellie E. Cryder, and she was born near Graham, on January 19, 1876, making her 35 years old at the time of her death. She was married September 19, 1905, to John L. Moore at Graham. She is survived by her husband and six little boys, and her mother, Mrs. Rebecca Brink of this city, and sister, Mrs. J. W. Galbreath of Graham, and brother, Glennie Cryder of Amity, Mo.

Mrs. Moore's entire life was spent at Graham until about two years ago, when Mr. Moore and his four brothers moved to Maryville and engaged in manufacturing lightning rods.

Mrs. Moore was told about midnight Wednesday night that she could not recover. She talked calmly with her husband and mother about the care of her little boys, and asked her sister to sing to her, which she could not do, but played several piano selections until early Thursday morning, when Mrs. F. P. Robinson came at the request of the family and sang her sweetest songs to the dying mother.

IN COURT THURSDAY

Case of M. J. Long Being Tried This Afternoon Before a Jury.

A short session of circuit court was held before Judge Ellison Thursday morning. Two young boys, Levi Kelly and James Hawk, who were arrested Wednesday afternoon on a charge of common assault, plead guilty to the charge and were given six months each in the county jail.

The offense of which the two boys are guilty was an attack made on Herscheal Wiles, a son of T. A. Wiles, last Sunday night in the east part of the city. Mr. Wiles had been to church in company with a lady friend, and on leaving her home, and while on his way home, he was attacked by Kelly and Hawk for reasons unknown to him. He was badly beaten up.

The case of Tom Mullin, on a charge of petit larceny, a plea of not guilty was entered and the court fixed the bail at $300. McMullin was arrested on a charge of stealing a case of beer from Adolph Lippman's saloon last Saturday night.

In the case of Ed Pliss, who was thought to have been connected with McMullin in stealing the beer, Prosecuting Attorney Wright enters nolle prosequi.

Ira Powell, on a charge of gaming, plead guilty and was fined $25 and costs.

Peg Conklin, on a charge of petit larceny, was sentenced to one year in the county jail. Conklin plead guilty. He was connected with Bill Sales in stealing a watch from Harry Irvine on the Wilcox depot platform. Sales having been sentenced to five years in the penitentiary.

The case of the state against M. J. Long of near Elmo for violation of the local option law was being tried before a jury Thursday afternoon.

When your eyes Demand Relief

When they object to be further imposed upon—you will very likely be COMPELLED to seek the aid of an optician.

It is much better to obey the FIRST signs of eye trouble.

Much annoyance is then saved and relief is easier to secure.

However we are able to afford relief in cases of all degrees of advancement.

Prisoners All Safe.

El Paso, Tex., March 16.—Assurance of the safety of all Americans now confined in Mexican prisons is given in an official statement issued at Juarez. Americans now prisoners will be given trials in the civil court on charges of sedition against the Mexican government, but hereafter all insurrectos, whether citizens of the United States or not, may be subject to the death penalty under summary military procedure. The statement from the Mexican officials was issued relative to the seventeen foreigners now imprisoned in the federal jail at Casas Grandes. Fifteen of them are Americans. Pending their trials they will be given the consideration due to prisoners of war.

Smuggling Arms Must Stop.

El Paso, Tex., March 16.—"Smuggling of arms and ammunition across the Mexican frontier from El Paso must cease." This, in substance, is the order received by federal officials here. It is supposed to have emanated from Washington on the representation of the Mexican government that El Paso has been the chief point from which help has been sent to the insurrectos and the place in which the revolution has been planned and fostered.

in what way could we spend money to a better advantage than to buy a Good Mattress. We would like to have just ninety-nine of our good people in and around Maryville who want the best that money can buy to call at our store and see what we have. We have an entire new creation in the mattress line. A Box Spring, Hair Mattress--Ostermoor, or any other is not to be compared to it. Now it costs you nothing to look but we would like to show you what we have. We say what we mean and mean what we say when we say that we have the best thing of its kind in the country. Call and see it and if you don't want to buy it after seeing it we do not want you to have it. But if you want the best bed that can be had we have it. Snow White on the Line

SUNNY MONDAY Laundry Soap contains a wonderful *dirt-starter* which loosens the dirt quickly, cleanses the fabric with little rubbing, and washes your clothes clean without washing them out. The saving in clothes alone would amount to a pretty penny in a year.

When **Sunny Monday** will save your clothes, save your time and back, and wash your woolens without the least danger of shrinking, why not give it a trial?

It's a white soap, made from choice fats and vegetable oils. There's not an ounce of rosin in it to shrink, shrivel and injure your garments.

FREE LECTURES OF INTEREST TO FARMERS

EXPERTS FROM COLLEGE OF AGRICULTURE TO TALK ON FARMING, IN THE COURT HOUSE 7:30 P. M. THURSDAY, MARCH 23rd

Josephine, the World's Champion Cow, to be Exhibited Free on Special Wabash Train

EVERYBODY SHOULD ATTEND

An event of unusual interest, not only to the farmers of our county but to the people generally, are the coming lectures by the experts of the College of Agriculture, University of Missouri, and of the State Board of Agriculture.

The Democrat-Forum is informed that the Wabash special train, carrying the experts and their exhibits, will arrive at Maryville at 7:00 P. M. Thursday, March 23. The lectures will be delivered in the Court House, and everybody is cordially invited to attend.

The lectures will include such interesting subjects as "Better Farm Methods," "Modern Dairying," "Spraying," "Horticultural Work," "Soil Improvement," "Better Live Stock," etc.—every subject of great interest.

An especially attractive feature of the exhibits carried on the special train will be "Missouri Chief Josephine," the world's champion cow, which, as some of us know, was born and raised on the Missouri Agricultural Farm. She offers wonderful evidence of the real dollars and cents value of farm methods as practiced at the College of Agriculture, and about which we are to hear at the lectures. There will also be shown some other thoroughbred stock owned by the College of Agriculture. This is some of the best stock ever produced in Missouri, or any other state, and will undoubtedly be interesting to see.

The Democrat-Forum sincerely believes that these lectures will be of great interest and real practical help to everyone who hears them.

BANISH THOSE GRAY HAIRS!

Kill the Dandruff Germs—Stop Hair Falling

Thousands of mothers are looking younger.—Their gray hairs are gone. The natural color has come back, and with it a new growth of soft, glossy, luxuriant hair. Why should you look old before your time, when you can look years younger by using

WYETH'S SAGE AND SULPHUR HAIR REMEDY

Dandruff Cured

Three applications removed all the dandruff and left my scalp clean, white and smooth.
Wm. Croak, Rochester, N. Y.

Restores Gray Hair to Natural Color

If other "so-called" Restorers have failed, don't give up hope, but give WYETH'S SAGE AND SULPHUR HAIR REMEDY a trial. You run no risk. If it is not exactly as represented, your money will be refunded.

PROFIT BY OTHERS' EXPERIENCE

Gray Hair Restored

My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color. It is now a nice dark brown color, soft, glossy and pliable. Several of my friends want to use it, and I want to know what you will charge me for six bottles of it.
MISS E. A. ROSS,
Sharon, Mercer Co., Pa.

Grew Hair on a Bald Head

For two or three years my hair had been falling out and getting quite thin until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly until now I have used four bottles. The whole top of my head is fairly covered and keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.
